

DEAR, Honorable Judge Bennett

Today PS 9-16-2013 I'm writing to you sir
on my mother's behalf.

You sentenced me back on December to Five years
with the drug program which I'm currently in and
doing well.

My only concern is there's a separation on me
and my mother Nicky E Cash.

Your Honor I understand you have your reasons and
reasons for everything you do but I'm asking if
you could please understand that I've never been
away from my mother and me not being able
to at least write her times me apart.

The separation states it's for matters of
safety.

Your Honor you have my word there
wouldn't be any problems with a mail.

If you could please help me with this
matter I would greatly appreciate it.

Thank you,
Melanie Holquist ID# 54001-037
